## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination discloses a transient power converter having a second switch circuit, coupled between said voltage output bus and a flyback circuit coupled to a reference voltage terminal and to said voltage input bus, and being operative, in response to a voltage on said voltage output bus exceeding a second threshold, higher than said first threshold, to couple said voltage output bus to said flyback circuit, so as to couple energy from said voltage output bus into said flyback circuit, and wherein, in response to said voltage on said voltage output bus dropping to less than said second threshold, said flyback circuit is operative to transfer energy stored therein to said voltage input bus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
